F.No. 39(379)/2026-Admn Dated : 16.11.2026

NOTIFICATION

Applications are invited for the interview to be held in offline mode only at **ICAR- Central Institute of Brackishwater Aquaculture, Chennai for engagement of One (01) Young Professional-II and One (01) Young Professional-I** under Central Corpus Fund-Indian Council of Agricultural Research (CCF ICAR) - National Priority Project (NPP) titled **"Unravelling the dynamics of the algal and bacterial microbiome and its association with shrimp productivity in the new age shrimp farming through omics approach"** on purely temporary basis of this institute as per the details given below.

Project Name	Unravelling the dynamics of the algal and bacterial microbiome and its association with shrimp productivity in the new age shrimp farming through omics approach
Post	1. Young professional II – 1 No. 2. Young professional I – 1 No.
Duration	**One year** initially and may be extended for a further period of Two years (one year at a time) based on satisfactory performance.
Essential Qualification	**1.Young Professional-II:** Postgraduate Degree (M. tech / M.Sc.) in Bioinformatics or Computational Biology With 1st division or 60% marks or equivalent overall grade point average **2.Young Professional-I:** Undergraduate Degree (B.F.Sc./ B.Tech./B.Sc.) in Professional Fisheries Science/Microbiology/Biotechnology/Zoology With 1st division or 60% marks or equivalent overall grade point average
Desirable	**1.Young Professional-II:** Prior experience in bioinformatics for a minimum of 2 year, preferably working knowledge on bioinformatics and microbial metagenomics. Microbial identification, sequence analysis, annotation, and phylogenetic analysis using relevant bioinformatics tools and databases (NCBI, BLAST, QIIME2, MEGA, R, etc.) will be an added merit. Experience in microbial metagenomics, handling live animals and conduct of shrimp biological experiments will be an added advantage. **2. Young Professional-I:** Prior experience in microbiology lab work for a minimum of 2 years, preferably handling of bacterial and algal cultures and molecular biotechnology techniques. Practical knowledge on DNA extraction, PCR, RT-PCR, gel documentation will be an added merit. Should have working experience in the sample collection in shrimp farming system, handling live animals and actively participate in conduct of shrimp biological experiments will be an added advantage.
Emoluments	YP II- Rs. 42,000/ month (Consolidated); YP I – Rs. 30,000/ month (Consolidated).
Age Limit	Lower age limit: 21 years; Upper age limit: 45 Years (Age relaxation for SC/ST/OBC candidates as per Govt. of India norms)

Last Date for submission of biodata	**30.11.2026**
Date & Time of Interview	Will be intimated in mail to the qualified candidates
Mode of Interview	Offline mode

Eligible candidates may submit their application (clearly indicating their experience and skills/instruments used) along with the contact numbers in the prescribed proforma (attached) only and **scanned copies of the certificates** through the website https://ciba.res.in/recruitment/ on or before **30.11.2026.** Communication will only be sent to the short-listed candidates for attending the interview. The candidates who have received mail should appear for offline interview at ICAR-CIBA, Chennai with **required documents.** ICAR-CIBA does not enter into correspondence with the applicants for not calling them for interview. Director, CIBA reserves right to accept or reject any applications.

Guidelines for filling the application

1. Application form may be downloaded and clearly typed by the applicant.
2. Duly filled and signed application forms should be attached with all the required documents (degree certificates, experience certificates, research papers DOI etc.) failing which the application of the candidate may be rejected. Supporting documents should be serially numbered as Annexures and referred in the application form at relevant places.
3. All the above documents should be uploaded as single merged pdf file.
4. The PDF file should be named as UNRAVELLING << Applicant First Name >>30112026.pdf
5. The pdf file should be attached in the application available in the website https://ciba.res.in/recruitment/

Application for the post of YP II / YP I

1.	Name of the project	Unravelling the dynamics of the algal and bacterial microbiome and its association with shrimp productivity in the new age shrimp farming through omics approach
2.	Application for the post	
3.	Name (in Block Letters)	
4.	Date of Birth and age	
5.	Sex: M/F	
6.	Marital Status	
7.	Category: SC/ST/OBC (Scan copy of certificate to be attached)	
8.	Father/Husband Name	
9.	Address for Correspondence	
10.	Phone No.	
11.	E-mail Address	

12. Qualification: (Scan copies of certificates to be attached)

Examination	Subject	Name of Institution	Year of Passing	% of marks/ CGPA obtained
Doctorate a. Pre-thesis submitted b. Thesis submitted c. Degree awarded				
Post Graduation				
Graduation				

*Based on the post requirement essential qualification, the candidates need to give their education details.

13.	Whether NET / GATE qualified : If yes, date of passing (Scan copy of certificate to be attached)	Yes / No
14.	Research Papers published in SCI Journal (Give the citation)	
15.	Patents filed/granted (Furnish the details)	
16.	University Awards/Medals/Conference Best Presentation Awards (**Furnish the details along with Scan copy of certificates**)	
17.	Work experience in project/Industry/Aquaculture Experience	
18	Thesis/Dissertation Title	
19	Abstract (max 150 words)	

20. Statement of Purpose in Maximum one page (About yourself, reason for opting this job and experience)

DECLARATION

I hereby declare that I have carefully read and understood the instructions and particulars on this application and that all entries in this form are true to the best of my knowledge and belief.
